Wesley Families,

Wesley Schools will be moving to a hybrid schedule beginning **Friday, October 16th**.

We will continue in person programming Monday-Thursday with Fridays being a remote day for students. Every Friday, students will be assigned independent work through Google Classroom to complete and will not be required to attend their classes virtually (this includes students who are enrolled in the full remote option). Teachers will be providing office hours for academic support if needed.

The decision to move to the hybrid model was based on a number of factors and we will continue to assess our programs' needs as this unique school year continues. School districts have been contacted and transportation adjustments will be made. A member of your child's team will be contacting you to discuss this change. As always, if you have any immediate questions or concerns, please contact your child's Program Director.

Thank you for your continued support and allowing us to serve your students.
