Dear Families,

We hope that the winter break has provided both our staff and students the opportunity to relax and refresh for the new year! As we move into the second half of the school year, we wanted to remind you that our Health & Safety Plan and Student Handbook Pandemic Addendum are available on our website: www.wesleyschools.org. Click on the "reopening" tab at the top right.

School will be closed on Monday, January 18th in observance of Martin Luther King Jr. Day. **Wesley Schools plan to re-open for in-person learning on Tuesday, January 19th.** We will continue to evaluate this decision as we get closer to the return date based on current guidance from the state and CDC.

Our remote independent learning (asynchronous) Fridays will continue until further notice, but the remainder of the school calendar should still be followed accordingly. If you need a new school calendar, it can also be found on the website: https://wesleyschools.org/wp-content/uploads/2020/09/2020-2021-K8_High-School.pdf.

As we near the in-person return date, please continue to reinforce mask wearing, social distancing and hand hygiene with your student. This is also a reminder to review the symptom screening tool each day before your student leaves for school. The symptom screening tool can be found here: <https://wesleyschools.org/wp-content/uploads/2020/08/Symptom-Screening-Tool-Final-AT-8-19-20-SS-.pdf>.

Please keep your student home if they are exhibiting symptoms on the list. If symptoms are exhibited upon arrival or while at school, the student will be monitored in the isolation area and you will be notified to arrange for transportation home and further guidance.

Lastly, we are very excited to be able to use the Chromebooks both for remote and in-person learning!

Please remind your student to return to school on January 19th with their Chromebook, charger and any device previously loaned to you.

Please contact your appropriate Program Director should you have any questions or concerns.
