

Wesley Schools
2021-2022 School Year

Educational Delivery Model	Full IN-PERSON (K-12) Students will attend school <u>five</u> days per week with appropriate health and safety precautions based on current CDC guidance.
-----------------------------------	--

Face Coverings	Students, staff, and visitors, regardless of vaccination status , are required to wear masks when entering Wesley Schools and in all common areas of the buildings. Masks may be removed when outside or at a personal workspace only if social distance can be maintained (see below). Masks are <i>required</i> on all district provided transportation.
Vaccinations	Wesley Schools will continue to monitor CDC guidance and will consider revisiting the face covering requirement, at which time there is the potential that proof of vaccination will be requested for High School students. Currently, Wesley Schools is requiring masks regardless of vaccination status. Vaccination proof may be requested in the event of an exposure to determine quarantine or isolation.
Health Screenings	Parents are asked to continue health screens prior to sending students to school and to notify our school nurses if your child presents with symptoms, and/or a person in your household is getting tested or has tested positive. The symptom screening tool can be found by clicking on the health & safety tab at www.wesleyschools.org .
Cleaning/Disinfecting	Wesley Schools will continue to clean and disinfect schools daily with an increased focus on high touch surfaces and high traffic areas. Disinfecting protocols will be used following the identification of a positive case.
Visitor Policy	Visitors will be permitted into the building on a limited basis per the discretion of the leadership team. Visitors will be decided on an as needed basis and are required to adhere to all Wesley protocols, including required face coverings.
Physical Distancing	The social distance between students is 3 ft. The expectation between staff and student is 6 ft. Students will have their desks at least 3 ft apart within the classroom. Social distancing stickers are also placed around the school building.
Arrival Expectations	Students should continue to leave ALL personal belongings at home with the exception of a lunch (if needed). Students will again be provided with clear bags at the K-8 for transporting a Chromebook or homework. Students at the High School must use an approved bag.
Isolation & Quarantine	Wesley Schools follows CDC guidance for the isolation and quarantine of staff and students. Isolation & quarantine guidance can be found here: https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html .

Plans are subject to change based on county, state, and national health guidelines.
