Wesley Schools have received funding through the ARP (American Rescue Plan) ESSER (Elementary and Secondary School Emergency Relief) 2.5% Set Aside through PDE totaling nearly \$380,000. Wesley Schools plan to utilize this funding in the following ways:

\$180,000 to build an outdoor classroom experience as part of a larger complex and recreational turf field project. The outdoor classroom area will be approximately 2,000 square feet. Part of the funding will be used to furnish the area with the latest technology to foster learning in this type of environment.

\$199,975 to support our staff and program needs such as PPE, supplies, laptops, sign-on and retention bonuses and PBIS engagement items.
